1 How does the professor explain each of the different attachment types?

- ☐ By describing the parent-child relationships that created them.
- ☐ By calling on different students who represent the three types.
- ☐ By describing the major problems associated with each type.
- ☐ By using personal examples to contextualize the information.

2 Why does the man talk about the child of working parents?

- ☐ To show how difficult it is to determine one's attachment type.
- ☐ To question the truth of the professor's previous statement.
- ☐ To illustrate the need for parents to spend time with their children.
- ☐ To suggest a possible example of an insecure-avoidant person.
